

# NEW CAMP CARD UNIT FUNDRAISER

***This is a BSA approved spring fundraiser that gives every Scout the opportunity to earn their way to camp!***

## How the Camp Card Sale Works:

A risk-free fundraiser designed to assist Scouts in funding their summer activities, while reducing out of pocket costs for families. Camp Cards contain deals and discounts from local restaurants and businesses, which the Scouts sell, earning a commission! The front of the card offers one-time use/snap-off coupons. The back of the card offers multi-use discounts to be used throughout the year.

No upfront cost! Units take what they aim to sell, and return any undamaged, unsold cards at the end of the sale. Units immediately keep their commission. The remaining revenue is returned to Three Harbors Council to be reinvested as support towards our Scouting programs and activities - keeping camping fees low, and affording Scouts the opportunity to experience a first class program!
