

INDIAN MOUND SCOUT RESERVATION CAMP OH-DA-KO-TA

FACILITY CLEAN UP PROCEDURES

Please Note: Cabin Cleaning Supplies – 1 push broom, 1 dust pan, 1 mop bucket & strainer, 1 toilet brush, and 1 toilet plunger.

- ❖ Please clean sinks, counters, floors, and toilets with cleaning supplies provided.
- ❖ Clean floors by vacuuming or sweeping and mopping with **HOT** water and Pine Sol. Make sure to change water a few times depending on the size of cabin. Please mop thoroughly.
- ❖ Refrigerator must be cleaned before leaving. Please leave plugged in with the door closed.
- ❖ Fireplace must be completely cleaned and all firewood removed from building. No firewood is to be left on the porch, due to ice build up.
- ❖ **RECYCLING IS MANDATORY.** Garbage pick up is when you check out. Bags must be removed from garbage cans and placed outside on the porch. Garbage cans must be washed out with Pine Sol and **HOT** water.

Garbage goes in the black garbage can and recycling goes in the blue can.

Hints for cleaning:

1. Remove all personal equipment from building.
2. Anyone not on cleanup crew should go outside.
3. Clean sleeping area, then bathroom, kitchen, and hall or front entrance room.
4. Bring in doormat and place in front of doors on inside of building.

It takes a lot of time, money, and work to maintain these cabins. Your help is greatly appreciated by those who take care of the cabins and by those who use the cabin next.

Dining Hall/Kitchen Cleaning Procedures:

Please see the ranger for cleaning procedures for the dining hall and kitchen.
