Potawatomi Area & Three Harbors Councils Leave No Trace – Trainers Course

This 16-hour, overnight training course is designed for adult and youth Scout members 14 years of age and older, who value the land and want to teach others how to protect and preserve it. Participants who successfully complete the course will receive a Leave No Trace Trainer certificate, trainer pin and will be qualified to teach Leave No Trace skills and ethics to all levels of Scouting. Scouts and Scouters from all Councils are welcome.

This course meets the requirements for Summer Camp Staff to be trained as a Leave No Trace Trainer and Scouts 14 years and older who have been assigned the Troop Outdoor Ethics Guide course for their position of responsibility and would like more information on Leave No Trace.

There are many ways to teach Leave No Trace. Different training methods will be utilized throughout the course, so you can see different styles and build confidence in planning your own workshops. As a participant in this training you will be required to teach an assigned Leave No Trace principle to the group in a 15 to 20-minute lesson. This is a Train-the Trainer course.

Upon successful completion you will be registered with the Leave No Trace Center for Outdoor Ethics in Boulder, CO, as a Leave No Trace Trainer. There is a need for qualified Scouters to teach awareness workshops at the Cub Scout, Boy Scout and Venturing levels. Leave No Trace workshops can be added to Council and District events and trainers will be needed to present them. The BSA Outdoor Ethics structure including Tread Lightly! principles and “The Land Ethic” will be briefly covered.

Please join us at this training. Whatever level you wish to work at, you will be welcome.

- Dates:** November 9-10, 2019 **A minimum of 5 participants are needed to hold this course. Enrollment will be limited to 16 participants**
- Time:** 8:30 a.m. Saturday to Noon Sunday
- Location:** Camp Long Lake, St. Cloud, Wisconsin
- Deadline:** Thursday, October 31, 2019
- Gear:** Additional information on paperwork, Leave No Trace Principle for you to present and gear will be provided after confirmed registration.
- Cost:** \$55.00 per person for course materials (Participant packet, trainer pin, etc.) and food.

Scout Surveying Merit Badge Camping Weekend

Sponsored by Turning Point Systems Group & Members of WSLs

All Scouts
Welcome

(Photos from 2013 Event)

Sept. 21 & 22, 2019 (overnight)

2542 Jackson Drive, Jackson, WI 53037

Leveling, Drafting,
Pacing, GPS & Polaris
While earning this merit badge,
Scouts will discover how land is
measured and how it is
described so that others can
know where boundary lines are.
They will have a chance to use
some fine measuring instru-
ments, apply advanced
mathematics, operate
computing equipment, and
create a survey map.

Scouts should arrive by 1pm. If a scout can not arrive by the star time please let us know to make arrangements to cover the course work. They should plan to depart by 12 noon the next day. We must know the number of scouts before hand to arrange instructors. Small additions are allowable.

Tent Camping will be on a mowed grass field. Two person tents are preferred. There is a bathroom and depending on number of Scouts additional port-a-jon available. There is an outdoor garage shower if needed and small above ground pool that can be used when not working on badge at unit leader discretion. Most of the time will be working on the badge.

They will be given a class schedule when they arrive and assigned a Survey crew. Their first task is a building layout that will serve as their tent location. Wisconsin Professional land Surveyors will provide the instruction and work with the scouts. They are volunteers from around the state.

We ask that each scout be assigned to a unit leader. Individual scouts attending (not part of the larger unit) should coordinate with another troop leader for span and control. There is a place for leaders to hang and are encouraged to participate.

Meals will be provided to scouts and leaders. They are cooked on grill outside. Saturday dinner is hamburgers and picnic sides. Sunday breakfast is Griddle cakes. We ask that the leaders assist with food prep and clean up so the scouts can focus on the class and field work. At night we will have a round table Surveying discussion around the camp fire. Smores and hot dogs will be provided. If some one has a special food requirements we need to know in advance.

There is no cost for the Surveying Merit badge. The costs are covered by Turning Point and instructors WSLs to promote Surveying profession to youths. All materials and Surveying tools will be provided.

They need plan on being outside, short hiking, bugs, participating, and doing math without a cellphone or calculator.

Some rules: All scout policies and rules must be followed. This is on private party and land that must be respected. Everyone must have fun!
