

APPLICATION FOR SCOUTING STEM SCHOLARSHIP AWARD

Sponsored by the Priebe Family Foundation

The Priebe Family Foundation desires to support higher education for young men interested in attending school for study in a STEM (Science, Technology, Engineering and Math) related field.

Application Process: Candidates are to complete this application and submit it via mail or email **by April 30th**. The scholarship review committee will review applicants and notify the scholarship recipient by May 31st. A maximum \$10,000 grant may be awarded. Candidates are assessed based on leadership activities, school accomplishments, community and Scouting involvement, full and accurate completion of the application and the strength of their essay stating their education plan for a career in a STEM related field. Applicants who receive the scholarship may not apply again. Incomplete applications will not be considered.

Payment of the scholarship will be made directly to the recipient's post-secondary educational institution (trade school, technical college, university, etc.) in two payments:

- First payment will be made at the start of the upcoming fall semester.
- Second payment will be made during the spring semester after the candidate has submitted to the scholarship review committee his fall semester transcript indicating a grade point average of 3.0 or better (on a 4 point scale).

Eligibility: Applicant must

- Be currently registered in a Three Harbors Council, BSA troop, crew or post.
- Be a current high school senior or first year post-secondary student.
- Have achieved the rank of Eagle Scout prior to March 31st of the year in which he is applying.
- Have parent or guardian approval if he is under the age of 18 years old.
- Complete all sections of this application.
- Have declared or intend to declare a field of post-secondary study in Science, Technology, Engineering or Math.
- Provide proof of enrollment in a post-secondary educational institution for the upcoming fall semester.
- Provide notice of other financial assistance requested.
- Provide two (2) letters of recommendation or support from adults in the applicant's community who are not related to him.

Submission: Submit completed application and required documents to:

Scouting STEM Scholarship Award
