The Fastest Way To Fun!

What is Wood Badge?

Reflecting the best of nearly a century of Scouting experience, Wood Badge draws upon the most current leadership models used by corporate America, academic circles and successful organizations throughout the country.

Wood Badge training was begun by Baden Powell in 1919 as a way to insure that the leaders of Scout troops were properly trained. Since then Wood Badge has been held worldwide, providing advanced leadership training to thousands of Scout leaders.

Wood Badge builds upon the best traditions and experiences of the Boy Scouts of America and also draws from a wide range of courses within and beyond the bounds of Scouting to present the latest in leadership theory and team development.

“Wood Badge opened my eyes to the vast diversity within Scouting and how Scouting helps all people.”

“Through Wood Badge my unit became more youth focused and youth led.”

“I highly recommend taking Wood Badge and taking it earlier in your Scouting career, rather than later.”

WOOD BADGE

**Three Harbors Council
C7-636-20-1**

**TAKE YOUR UNIT
TO THE
NEXT LEVEL**

WHO SHOULD ATTEND?

Wood Badge is designed to meet the advanced leadership needs of all Scouters, particularly unit level Scouters, such as Cub leaders, Scoutmasters and assistants, Venturing Crew Advisors, Committee Chairs and members. Additionally Scouters serving at the district and council levels can achieve greater effectiveness through Wood Badge. To attend a Wood Badge course, individuals must:

1. Be registered members of the Boy Scouts of America. (Youth 18 and older may attend as long as the appropriate Youth Protection guidelines are followed. They do not need to be registered in an adult leadership role.)
2. Have completed the basic training courses for their Scouting position.
3. Be capable of functioning safely in an outdoor environment. All participants are required to complete the Annual Health and Medical Record form.

WHY ATTEND?

By taking Wood Badge, Scouters will acquire valuable tools such as listening, communicating, conflict management, project planning and leading change. Participants will better learn to understand and appreciate diversity and differences in our society. They will learn skills that will make them a better Scout leader. Units with trained leaders are able to deliver an improved program and a more meaningful experience for the youth Scouting serves.

By attending Wood Badge, the participants will internalize the 5 themes of Wood Badge: Living the Values, Growing, Connecting, Guiding and Empowering.

2020 Family Friends of Scouting Campaign

Unit Commitment Card

To provide our youth the best possible Scouting experience requires a significant investment. The annual Friends of Scouting fundraising campaign helps secure the operating funds needed for our council to continue to provide you and your Scouts the best Scouting programs.

Examples of the programs and services offered to your unit are: trainings, insurance, program helps, camping facilities and programs, and council and district activities to name a few. More information about these services is printed on the back of this form.

As you plan your program for the coming year, please include a Family Friends of Scouting presentation in your unit's calendar. We recommend that the presentation take place anytime from December 15, 2019 through April 15, 2020. Ideal settings for the presentation would be your Pack Blue and Gold Banquet or your Troop Court of Honor. A district Scouter will come to your unit's meeting and make the presentation. A typical presentation only takes 5-10 minutes.

Please return the form below to our Family Friends of Scouting Chair no later than your district's December 2019 Roundtable. You can also give it to your Family Friends of Scouting Chair and/or district executive or mail it to the Council Service Center in Milwaukee to your district executive:
