

Virtual Adventure Workshops

[Thursday, November 5, 2020](#) or [Tuesday, February 16, 2021](#)

from 4:30-6:00 p.m.

Join Wisconsin Humane Society and learn all about animals and the work we do to find them loving homes. Virtual Adventure Workshops are live, interactive virtual workshops led by WHS staff. Plus, you will have access to a digital platform that provides scouts with more activities scouts can do on their own time, including activities to help Bear Scouts complete the Critter Care Adventure. If you or your troop are working toward specific, animal-related goals, let us know, and we may be able to provide additional resources.

Scouts will:

- Take a virtual behind-the-scenes tour of the Wisconsin Humane Society
- Learn how animals “talk” to us
- Make a pet toy
- Learn about animal safety and training
- Meet an animal guest
- Get access to access to additional online content explore on their own

Cost: \$8 per Scout and \$2 for an exclusive WHS fun patch (optional)
