2020 _____ District Family Friends of Scouting Campaign

Unit Commitment Card

To provide our youth the best possible Scouting experience requires a significant investment. The annual Friends of Scouting fundraising campaign helps secure the operating funds needed for our council to continue to provide you and your Scouts the best Scouting programs.

Examples of the programs and services offered to your unit are: trainings, insurance, program helps, camping facilities and programs, and council and district activities to name a few. More information about these services is printed on the back of this form.

As you plan your program for the coming year, please include a Family Friends of Scouting presentation in your unit's calendar. We recommend that the presentation take place anytime from December 15, 2019 through April 15, 2020. Ideal settings for the presentation would be your Pack Blue and Gold Banquet or your Troop Court of Honor. A district Scouter will come to your unit's meeting and make the presentation. A typical presentation only takes 5-10 minutes.

Please return the form below to our Family Friends of Scouting Chair no later than the December 2019 _____ District Roundtable. You can also email it to your Family Friends of Scouting Chair at _____@_____.____ and/or district executive at _____@scouting.org or mail it to the Council Service Center in Milwaukee to your district executive:
