Be Prepared. For Scouts BSA.

Do...

...share your passion for the Boy Scouts of America (BSA)! We believe the BSA offers the best program for youth - but we also believe it's important for youth to be involved in the programs that are right for them.

Don't...

...compare the programs of the BSA to other youth programs.

Do...

...refer all questions about GSUSA programs to the local GSUSA council or website.

Do...

...refer all inquiries from media outlets (TV, radio, newspapers, online) to the BSA public relations team by email at pr@scouting.org

Do...

...be clear. Be sure to use official BSA marks and logos from the **BSA Brand Center** when using terms like "Scout Me In" whether in print, social media, or digital.

SCOUT ME IN

BOY SCOUTS OF AMERICA

Remember...

...girls who are in Scouts BSA aren't members of the Girl Scouts of the USA (GSUSA). Avoid using the word "girl" before "Scouts." This includes fliers, in conversation, social media, etc. For example, you shouldn't say, "Let's have that group of Scouts BSA girl Scouts line up."

Do...

...remember that the BSA and GSUSA are separate organizations. If those around you say or suggest otherwise, politely correct them!

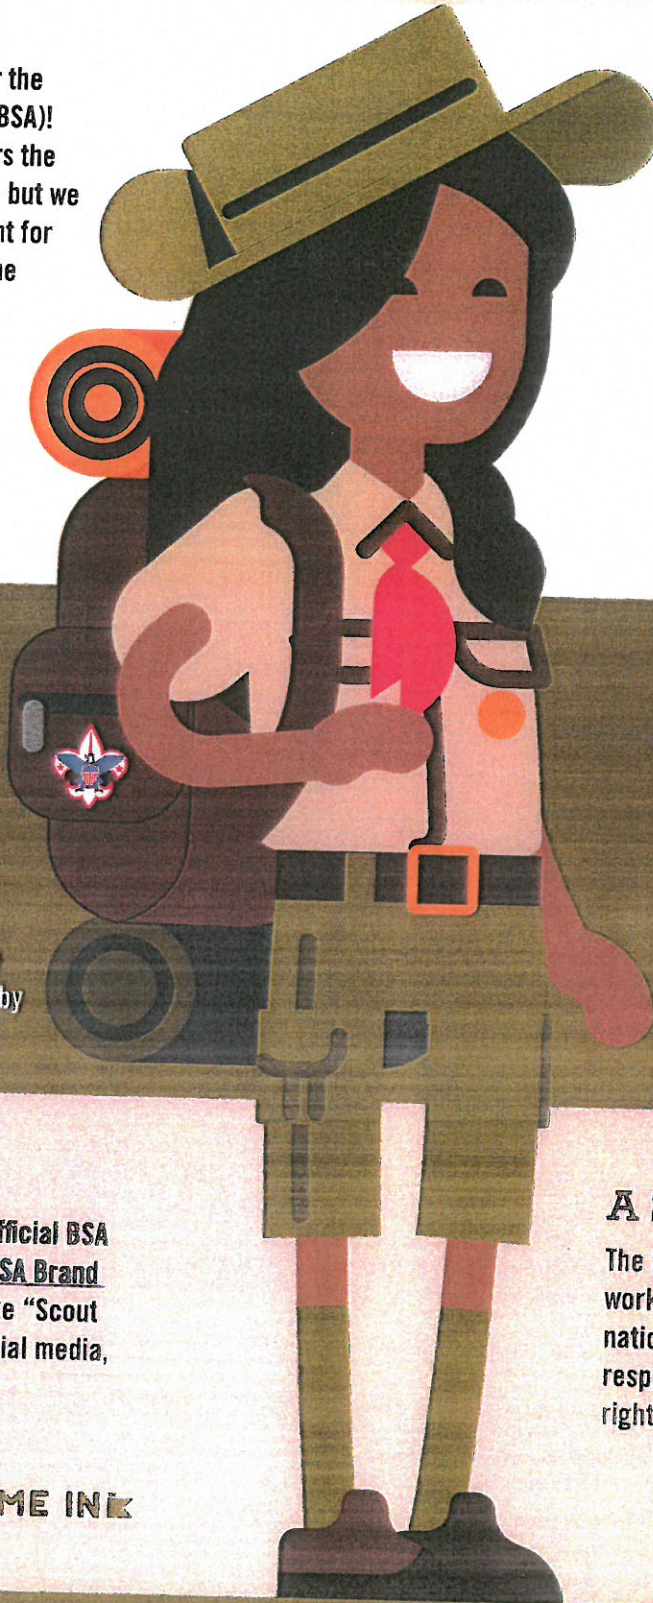

Don't...

...use names, programs, marks, logos, images, or awards of the GSUSA or combine them with those of the BSA.

A Scout is Courteous

The Boy Scouts of America applauds the work of the GSUSA in service to our nation's youth and is committed to respecting the organization's rights and programs.

"SCOUTING ADVENTURES"

ON TO EAGLE
Camp Oh-Da-Ko-Ta
3363 Dyer Lake Road
Burlington, WI 53105
April 26-28, 2019

Dear Scoutmaster,

We are once again pleased to host the annual On to Eagle Cub Scout to Scouts BSA transition event. With all the changes happening within Scouting, now is the time to showcase why your unit is the one new Arrow of Light Scouts should crossover to. This event will help Cub Scouts (Webelos & AOL) make decisions on whether to continue to advance into Scouts BSA. With the addition of females into all aspects of Scouting, we want to encourage as many Scouts as possible to continue with the traditions of Scouting.

As we continue to grow, we are encouraging each unit to invite Webelos & Arrow of Light Scouts as part of their troop for this Cub Scout to Scout BSA transition. One of the highlights of the weekend for the Webelos & Arrow of Light Scouts will be their participation in the Adventure Trail on Saturday.

The theme this year is **Scouting Adventures**. Every troop's campsite will serve as a station on the trail. Your troop should plan one or more Adventurous Scouting skills that will involve all youth; especially the Cub Scouts in a hands-on experience. Plan your skill to last a minimum of 15 minutes. Each unit will choose a Scouting skill to showcase and base the skills around one of the Adventures of Scouting – keep in mind this can also include high adventure prep and information. What an amazing way to showcase your unit and demonstrate what makes it different from its neighbor.

To eliminate duplication, please complete and return the enclosed form with your skills. You may wish to pick a section from the Boy Scout handbook and build your session around that. Please plan to bring a bead representing your Scouting skill that can be added to each Scout's lanyard as they visit your site.

Arrow of Light Scouts who have not yet committed to a troop, as well as those who may have already graduated into a troop, are encouraged to attend. Fourth through sixth grade non-Scouts are also invited to attend and enjoy Scouting at its best! You may know some other youth who may be interested, so please extend the invitation.

We encourage you to register your unit early – either online or via paper copy by Saturday, April 13th to enjoy the \$10 price. After April 13th there will be a \$10 late fee. The Cub Scouts and any adults that will be participating with them have been notified that they should register through a host troop. You will be their host for meals and should charge the Scouts and adults accordingly for food costs.

Given we are at a council camp, we have the necessary equipment you would expect, fire bowls (*some raised or stand-alone*), water, restrooms, etc. You may also wish to bring a table and any additional equipment your unit may need to enjoy the weekend. Don't forget to bring the necessary clothing and personal gear (*including chairs*).

Scavenger Hunt: Please list a unique item your troop will have in its campsite that relates to the theme and can be identified by the youth to add to their scavenger hunt list. It should be an item that relates to the weekend's theme "Scouting Adventures".

As always, there will be an award for the ideal On to Eagle troop. The campsite inspection checklist that will be used is an important part of the award criteria. A copy of the criteria is enclosed with this letter and will be included in the packet you receive upon check-in at Camp Oh-Da-Ko-Ta. The inspectors will be coming around on Saturday to inspect sites.

We need your positive attitude and Scouting spirit to see that 100% of all Cub Scouts attending this event go into Scouting!

BSA Medical forms (part A & B) are required for all participants and your roster.

Please return the enclosed registration form no later than April 13, 2019 or go to our website at www.ThreeHarborsScouting.org/OntoEagle to reserve your spot.

An individual from the event committee will contact you prior to the event regarding the following:

- Skills & event confirmation
- Scavenger Hunt item
- Campsite selection

Campsites will be assigned on a first-come first-served basis. Smaller troops may be asked to share a site. Space is very limited, so sign up now!

We are also offering Boy Scout Leader Training, which begins at 6 p.m. Friday and ends around 1 p.m. on Sunday. Special arrangements can be made with the event chair if Scouts need to stick around to wait for their leader to finish training on Sunday. Separate registration is required, please visit our website at www.ThreeHarborsScouting.org/Training.

If you have any questions, please contact Lisa Held at 414-443-2843 or Lisa.Held@Scouting.org

Participation

Powder Horn introduces you to the best local resources for outdoor/high-adventure activities for your unit. Several of the activities may be somewhat strenuous. While you are encouraged to try the different activities, under no circumstances is a participant required to participate in an activity they are uncomfortable with. They may instead choose to observe and learn.

What is and Why Powder Horn?

Powder Horn is a high adventure resource management course designed to introduce Scouting's adult leaders to the exciting program possibilities that exposes them to a wide range of fun and challenging outdoor / high-adventure activities. The course supports the mission of strengthening units, so they can achieve the mission of the Boy Scouts of America.

It is not a certification event, personal development or teambuilding experience. The ultimate goal is for the participants to leave the Powder Horn course with ideas to help their program, along with the valuable resources and contacts needed to implement them. This will lead to a more exciting and robust program for our youth, which in turn will lead to increased membership and a higher retention rate in our units.

Possible Electives / Sessions:

Archery, Astronomy, Backpacking, Cave Exploring, Challenge Events / Project C.O.P.E., Climbing / Rappelling, Conservation, Cycling / Mountain Biking, Emergency Preparedness, Expedition / Trek Planning, Equestrian, Fishing, Geocaching, Hiking, Hunting, Leave No Trace / Tread Lightly, Orienteering, Outdoor Living History, Plants and Wildlife / Ecology, SCUBA / Snorkeling, Shooting Sports, Watercraft, Wilderness First Aid, Wilderness Survival, Winter Sports

Uniforms

The Scout field uniform is always appropriate wear. However, due to the nature of the activities, the Scout activity uniform is probably more suitable. We do ask participants to wear the Scout field uniform for the opening and closing ceremonies.

Course Director, Lee Kammerer, lkammer1@yahoo.com, for questions about the course.

Support Staff, Gina Hannemann, Gina.Hannemann@Scouting.org for all other questions related to registration.
